	Dear Paul:			
	I very much appreciate your letter of 29 Rovember and your kind comments concerning President-elect Kennedy's request that I continue in my present position. It was very thoughtful of you to write.		Chi Sec	

I am sorry that I was out of the country when you were visiting here in early November and, therefore, did not have an opportunity to see you. I judge from the attachments to your letter, however, that you found your visit here an interesting one, and I, in turn, found your comments and observations of great interest. I read both attachments to your letter with care and very such appreciate your bringing them to my attention.

With every best wish,

Paithfully yours,

SIGNED
